REPORT OF THE
COUNTY COMMISSIONERS

The County Commissioners of Bristol County herewith submit the following as their annual report upon the affairs of the County of Bristol for the year 1913, in accordance with the provisions of Chapter 21, Section 25, of the Revised Laws.

FINANCIAL CONDITION.

The permanent debt of the County at the beginning of the year was seven hundred and ninety-seven thousand five hundred dollars ($797,500.00), of this indebtedness there was paid during the year the sum of fifty thousand dollars ($50,000.00) viz: on account of the Fall River District Court House, $20,000; on account of the Attleborough District Court House, $10,000.00; on account of the New Bedford and Fairhaven Bridge $20,000.00.

The permanent debt of the County at the end of the year was eight hundred and sixty-seven thousand five hundred dollars ($867,500.00) and is made up as follows:

County notes on account of the Fall River and Somerset Bridge,	$270,000.00
County notes on account of New Bedford and Fairhaven Bridge,	80,000.00
County notes on account of Fall River District Court House,	67,500.00
County notes on account of Registry Building at New Bedford,	180,000.00
County notes on account of Attleborough District Court House,	70,000.00
County notes on account of New Bedford District Court House,	140,000.00
County notes on account of New Bedford and Acushnet Bridge,	30,000.00
County notes on account of Bristol County Agricultural School,	30,000.00
	$867,500.00

During the past year the sum of three hundred and fifty-three thousand dollars was raised by direct taxation, and it is estimated that the sum of three hundred and fifty-seven thousand dollars will be necessary for the coming year.

The estimates for the past year in quite a number of departments proved to be insufficient, viz: for salaries and expenses, district and police courts; for Bristol County Agricultural School; for auditors, masters and referees; for repairing, furnishing and improving county buildings; for pensions; for miscellaneous and contingent expenses.

A brief summary of the receipts and expenditures of the County during the year is as follows:

RECEIPTS.

Balance on hand, Jan. 1, 1913,	$92,494.49
Amount raised by taxation,	353,000.00
Amount received from sales of merchandise, fines, fees, interest and dog fund, etc.,	82,776.56
Amount received from apportionment of cost of maintenance and repairs of Fall River and Somerset Bridge,	6,776.24
Amount received from temporary loans,	225,000.00
Amount received from loan on account of District Court House at New Bedford,	70,000.00
Amount received from loan on account of New Bedford and Acushnet Bridge,	20,000.00
Amount received from loan on account of Agricultural School,	30,000.00
	$880,047.29

EXPENDITURES.

Total expenditures for the year,	$790,186.77
	$89,860.52

For specific details as to the receipts and expenditures of last year we beg leave to refer to the report of the County Treasurer.

HIGHWAYS.

The following petitions for highways and for repairing the same were received during the year.

Edwin Borden and others for a highway in Westport.

On this petition there was a hearing held at Westport on Aug. 6, 1913, when the parties were fully heard and the premises viewed. Since that time no further action has been taken by the Commissioners as it was understood that the town proposed to build the road.

Charles H. Williston and others for specific repairs of highway in Westport.

On this petition there was a hearing held at Westport on Aug. 20, 1913 and parties were fully heard and premises viewed.
In this case as in the foregoing no further action has been taken as it is understood the town proposes to make the necessary repairs.

By chapter 539, Acts of 1912, the Commissioners of the County of Bristol were authorized and directed to lay out and construct a highway and bridge with suitable approaches over the Acushnet River in the City of New Bedford and the town of Acushnet, at such a place or between such points as said Commissioners, with the approval of the Harbor and Land Commissioners, may determine; such bridge to be constructed without a draw.

The contract for building said bridge was awarded on Jan. 11, 1913, to William H. Ellis of Boston, the entire cost of the same not to exceed $25,000.00. Said highway has now been laid out and bridge constructed and accepted.

STATE HIGHWAYS.

During the past year there has been paid to the State the sum of five thousand seven hundred and ninety-three dollars and twenty-three cents ($5,793.23) on account of State Highways.

The accompanying tables which have been received from the State Highway Commissioners give in detail the number of miles built, together with the cost of constructing and maintaining the same in the several cities and towns of the County.

COUNTY BUILDINGS.

By an Act of the Legislature approved April 5, 1912, the County Commissioners were authorized and required to erect in the City of New Bedford a suitable fire-proof building for the Third District Court and to equip and furnish the building suitable for the District, Police and Juvenile Courts, and for other purposes incidental thereto. Contracts for building said Court House have been awarded as follows:—

For construction to William A. Borden of Fall River for $51,350.00.

For heating and ventilating to F. E. Earle Company of New Bedford for $6,900.00.

For plumbing to Jeremiah Coholan of New Bedford for $2,975.00.

For curbing and steps to Flavien Cote of Fall River for $1,545.00.

The construction of the aforesaid building is well under way and it is expected that it will be ready for occupancy during the coming year.

At the House of Correction in New Bedford some repairs have been made in the steam fittings and in the electrical wiring.

At the Taunton Jail no extensive repairs have been made, the same having been put in good condition the year previous.

At the Court House in Fall River some painting has been done and in the near future it will be necessary to repaint the Court Room.

At the Court House in Taunton the boilers have been repaired and some parts of the building repainted.

At the New Bedford Court House granolithic walks have been constructed and the inside has been partially repainted.

The Court Room of the First District Court House in Taunton is now being repainted.

At the Registry of Deeds Building in New Bedford the boilers proved to be inadequate and one new one has already been installed and in all probability another one will be put in during the coming year.

There was purchased under the provisions of law by the County during the year for the sum of $23,000.00 a farm situated in Berkley for the purposes of establishing an Agricultural School.
